Ohio STRONG START TO FINISH

DATA-INFORMED & EQUITY-CENTERED

Friday, October 5, 2018		
Time & Room	Topic	Discussion Leader
7:30 – 8:00 a.m. <i>Battelle South</i>	Breakfast	
8:00 – 8:15 a.m. <i>Battelle South</i>	Recap of Yesterday and Overview for Today	Kathleen Cleary <i>ODHE</i>
8:15 – 9:15 a.m. <i>Battelle South</i>	Overview of Core Principles and 4 priority actions Campus teams will discuss critical self-reflection questions based on the initiative's core principles. The main discussion questions center around a) current practices at the college that embody the key design principles, and b) ideas for possible new approaches that are aligned with the principles, given student outcomes and climate data.	Brett Visger <i>ODHE</i>
9:15 – 10:15 a.m.	Please ask team to split up to cover each of the sessions from the list below.	
<i>Ohio Center B Room</i>	Redesigned Gateway Math Panelists will discuss the changes their institutions have made to mathematics requirements in different disciplines. They will share their experiences developing Calculus, College Algebra, Quantitative Reasoning, and Technical Mathematics.	Lee Wayand <i>Columbus State Community College</i> Jim Fowler <i>Ohio State University</i>
<i>Ohio Center C Room</i>	Town Hall on Direction of English Initiative Paula Compton will introduce the idea of an Ohio English Initiative, describing how this could be similar to and different from the Ohio Mathematics Initiative. She will ask participants to help shape this new initiative, starting with two English professors who will share the direction of their own work.	Paula Compton <i>ODHE</i> William Breeze <i>Cleveland State University</i> Beth Williams <i>Stark State College</i>
<i>Eisenman Room</i>	Implementing Co-Requisite Remediation at Scale Panelists will share their experiences bringing co-requisite English and Math courses to scale at a community college and a university. Speakers will address curriculum content, faculty qualifications, curriculum mapping and changes they made to improve their models.	Deb Hysell <i>North Central State College</i> Doug Darbro <i>Shawnee State University</i>

DATA-INFORMED & EQUITY-CENTERED

<p><i>Ohio Center A Room</i></p>	<p>Clearly Structured Programs of Study This session will examine ways to integrate college-level mathematics and English into guided pathways at community colleges and universities. Panelists will frame the conversation with research supporting developmental education and pathway reforms and then will share how this work has evolved on the Lorain County Community College campus.</p>	<p>Shanna Jaggars <i>Ohio State University</i> Jonathan Dryden <i>Lorain County Community College</i></p>
<p><i>Trott Room</i></p>	<p>Building Advising Structures Panelists will discuss how they have redesigned advising structures and practices to support emerging student success initiatives. Topics will include how to encourage students to try new formats, including co-requisite remediation, and innovative ways to use assessment results to inform placement as well as using a holistic advising approach to encourage students to attempt gateway mathematics and English courses.</p>	<p>Allison Logan <i>University of Cincinnati</i> Karla Knepper <i>Sinclair Community College</i></p>
<p><i>Windows Room</i></p>	<p>Change Management Ayşe Sahin will share her experiences leading co-req redesign in the Mathematics and Statistics department at Wright State, and will reflect with SOVA on lessons learned from work they did together around navigating the human side of change. The conversation will be aimed at highlighting the most important opportunities and challenges facing Department Chairs who are tasked with leading transformational change from the middle.</p>	<p>Ayşe Sahin Wright <i>State University</i> Alison Kadlec and Paul Markham SOVA</p>
<p>10:15 – 10:30 a.m.</p>	<p>Break</p>	
<p>10:30 – 11:30 a.m. <i>Battelle South</i></p>	<p>Presentation and Discussion: CLASS grants Colleges will learn about opportunities for institutional funding and will have time to discuss priorities for using these funds.</p>	<p>Cindy McQuade IUC Laura Rittner OACC</p>
<p>11:30 – noon <i>Battelle South</i></p>	<p>Regional Networking Each region will meet briefly to share plans and see if there are opportunities to collaborate and/or share learning.</p>	
<p>Noon – 2 p.m. <i>Battelle South</i></p>	<p>Buffet Lunch and Facilitated Team Discussion with Guided Questions Groups will reconvene to share lessons learned through breakout sessions and make revisions to plans for CLASS applications.</p>
