Ohio Guaranteed Transfer Pathways

Approval and Endorsement Process

Step 1: Ohio Guaranteed Transfer Pathways Statewide Steering Committee – Support each cluster and associated majors for faculty panels to explore and work on.

Step 2: Statewide Guaranteed Transfer Pathways Faculty Panel – Discuss, develop, and propose a statewide transfer pathway for the respective clusters. Discuss the alignment work at the campus level.

Step 3: Ohio Articulation and Transfer Network (OATN) – Prepare and send out a statewide endorsement survey for each proposed cluster transfer pathway, as well as compile the survey results. Forward the survey results to the respective guaranteed transfer pathways faculty panels.

Step 4: Statewide Guaranteed Transfer Pathways Faculty Panel – Analyze the survey results and make necessary adjustments. Determine whether a statewide consensus has been reached.

Step 5: Ohio Guaranteed Transfer Pathways Statewide Steering Committee – Discuss any issues to be addressed regionally in order to move forward with the endorsement of the guaranteed transfer pathways.

Step 6: Ohio Guaranteed Transfer Pathways Statewide Steering Committee – Make the final approval/endorsement of the guaranteed transfer pathways.

Step 7: Ohio Articulation and Transfer Network (OATN) – Post the approved/endorsed pathways to its Transfer to Degree Guarantee website.
