**Advising Notes:**

Where it indicates "Any Ohio Transfer 36 approved," students should work closely with their advisors.

(\*) indicates that the course simultaneously satisfies general education and business core requirements.

(+) indicates that the courses chosen should be from two different areas within that category.

A prerequisite such as College Algebra (TMM001) may be needed for a student to reach Calculus I (TMM005) or Business Calculus (TMM013).

Students transferring to Miami University must take Calculus 1 (TMM005).

It is recommended that an Arts and Humanities or Social and Behavioral Sciences course is also a diversity course.
